Project Information

- Project: Hilton Grand Vacation Club (HGVC)
Location: Myrtle Beach, South Carolina
Architect: Garvin Design Group in association with tag architecture, LLC
GC: Landmark Builders
Developer: Strand Capital Group
Completion: 2016
Scope: This project consisted of three structures, for which we provided an array of products, including interior and exterior railings, smoke baffle, and divider panels. HGVC called for our Monaco stainless and glass modular railing, base shoe railing/smoke baffle, stainless and aluminum wall-mounted railing, stainless parapet railing, glass railing with aluminum frame, vertical picket railing, and lighted grip rail.

Glass balcony railing and smoke baffle utilized on multiple levels throughout the interior of the facility.

Interior Monaco stainless and glass modular railing on stairs and landings.
